5. Fire Fighting Measures			12. Ecological Information		
Extinguishing media	Water, foam, carbon dioxide.		Consideration of ingredients leads to a conclusion that the product will be not be hazardous to aquatic organisms.		
Fire & Explosion	Product Not Flammable				
Protective Measures	N/A				
6. Accidental Release Measures			13. Disposal Considerations		
SMALL - Wipe with rag or rinse with clean water. In case of large spills, wear suitable protective clothing and safety goggles. Absorb onto inert material such as sand or earth.			Dispose of as Controlled Waste, via a licensed contractor ensuring that all national and local authority requirements are complied with.		
7. Handling And Storage			14. Transport Information		
Avoid contact with eyes. Do not ingest. Storage Keep in original containers. Store between 0°C and 50°C. Protect from sunlight to avoid slight discolouration.			Not classified as dangerous for transport.		
8. Personal Protection (Normal Use)					
Goggles	N/A	Apron			
Gloves	N/A	Respirators	N/A	15. Regulatory Information	
Overalls	N/A	Barrier CRM	N/A	Keep away from children	
9. Physical And Chemical Properties			16. Other Information		
APPEARANCE ODOUR pH DENSITY @ 20°C FLASH POINT BOILING POINT SOLUBILITY IN WATER		COLOURLESS TRANSPARENT LIQUID NONE 6 1000 NOT FLAMMABLE 100 SOLUBLE		Information contained herein is provided in accordance with CHIP-2 Regulations. The product should not be used for purposes other than those shown in section 1. As conditions of use of the product are outside our control, the user is responsible for ensuring requirements of relevant legislation.	
10. Stability And Reactivity					
Stable under normal conditions of use. Protect from freezing and temperatures above 50°C.
